

Leslie L. Dan Pharmacy Building - Granite & Stainless Steel Sign

Location Toronto, Ontario
Designer / Architect Foster and Partners
Duration Mar 2006 - May 2006

Scope - Soheil Mosun Limited was commissioned to manufacture and assemble (1) custom granite ground sign with waterjet cut, brushed stainless steel incised lettering and precision carved graphics.

Highlights - The sign face is made of (5) 1-1/4" thick granite slabs with incised waterjet cut, brushed stainless steel lettering and precision carved lettering and graphics. This unique sign is an example of a perfect blend of texture and precision.
